

FANTASTIC FAIR SNACKING

VEGAN PAIN AU CHOCOLAT

DELICIOUS, CHOCOLATEY, FAIR!

Oh, là, là... our typical French pain au chocolat is now also available in vegan!

Made with a high-quality, palm oil free vegetable margarine based on shea butter and coconut oil. And with perhaps the fairest chocolate in the world! Because our partner fairafric produces its chocolate from bean to bar in Africa. Hence, most of the money stays where it belongs: with the people in Ghana.

Enjoy!
